Email: tusharchauhan7252@gmail.com
Mobile: +91 9971976381

SKILLS

Languages:	C++, Python, C, Java
Frameworks & Libraries:	React.js, Node.js, Express.js, Tailwind CSS, React Router, Leaflet, React-Leaflet
Tools/Platforms:	MongoDB, Git, GitHub, VS Code, Android Studio, Chrome DevTools, npm, Vite, figma, vercel
Soft Skills:	Problem-Solving, Team Player, Leadership, Adaptability

PROJECTS

CampusConnect – Campus Discussion & Collaboration Platform 	Jul’ 26
- Built a campus-wide discussion platform enabling students to share knowledge, ask questions, and participate in anonymous conversations. - Implemented discussion threads, post categorization, and interactive engagement features to enhance community participation. - Designed a responsive and intuitive user interface, ensuring seamless user experience across desktop and mobile devices.	
Tech Stack: HTML, CSS, JavaScript, Firebase	
MAOI Topple – Game Development Project 	Apr’ 26
- Developed a Tikki Topple-inspired stacking game with strategic placement, balance mechanics, and scoring. - Engineered interactive game logic, animations, collision handling, and progressive gameplay using JavaScript. - Secured 2nd Runner-Up in the Game Development Hackathon through rapid game design and development.	
Tech Stack: HTML, CSS, JavaScript, Websocket.io, NextJs.	

CERTIFICATES

Cloud Computing Infosys Springboard	Apr’ 26
Artificial Intelligence Workshop Campus Crew	Jan’ 26
Time Management Infosys	Oct’ 25
Python Udemy	Jul’ 25

ACHIEVEMENTS

- 5th Rank Game Development Hackathon: Developed *MAOI Topple*, a Tikki Topple-inspired game
- Top 1000 —Codeforces Division 3 Contest: Secured a Top 100 rank in a competitive programming contest.
- 50 Days badge in Leetcode.

EXTRACURRICULAR ACTIVITIES

- Hackathons & Technical Events: Participated in university-level hackathons and technology events, developing practical software solutions.
- Competitive Programming: Regularly participate in competitive programming contests and coding challenges.
- Open Source & Development: Built and maintained software projects using modern web technologies and Git/GitHub.
- Technical Communities: Actively participated in coding and developer communities through workshops, events, and collaborative projects.

EDUCATION

Lovely Professional University Bachelor of Technology Computer Science and Engineering; CGPA: 9.42	Phagwara, Punjab Aug’ 25 – Present
Divine Star Race School Noida Intermediate PCM; Percentage: 80% Percentage: 82%	Noida , Uttar Pradesh Mar’ 23 – May’ 24
